Welcome to Smile Music Bingo!

Everybody knows Bingo and everybody loves music! Music Bingo is a new type of bingo-game that combines both. The numbers are replaced with popular music clips.

Here's how it works:

Instead of regular numbers we play the best songs that gets the people jamming and singing along!

The game is presented on a screen with a high-quality sound system. Everyone can play and follow the game easily because also tips can be included in the game.

Winning players are rewarded with prizes and the night is run by a professional host.

*Im on a highway
to hell!*

Music Bingo suits all events

The game is designed to entertain a any crowd. Because the game tips are shown on the screens anyone can play and win, even if they don't know the songs!

Songs selected for you

We can select the best music that fits your crowd. There are thousands of songs that can be mixed to your needs.

Personalised with your name

Your can choose to shows your name or logo on the screens during the game. Also your name or logo can be added to the game tickets.

Professional host

Our host keeps sure that your guests are entertained and the atmosphere is at its best the whole night.
